Parent Name: _____

St. Johns is a unique school in many ways. We are a small school, and a school that relies on the gifts and talents of our entire school community. Parent involvement is integral to St. Johns' mission of nurturing Christian children. Parent involvement is what enables St. Johns to continue to grow and flourish. Please check your interests and skills that you may have that will help St. Johns have another fantastic year. This is just a survey. You are not actually signing up for anything. Thanks.
