2022-2023 K-8 Tuition Rate Summary

All families will receive one tuition envelope per student at the beginning of the school year. Tuition payments may be sent to school in the tuition envelope; the envelope will be returned to you for use the following month. You may cover multiple tuitions with one check. The tuition envelope serves as your receipt if you are planning to claim tax deductions on your state income tax. All tuition payments are due no later than the 15th of each month. If your payment will be late, please notify the school office.

Please be aware that it costs St. Johns Church ***more than \$8,000.00 per year to educate each child that attends the school.*** For that reason, we strongly urge you to make every effort to keep your tuition payments current.

If you feel that you will have difficulty handling the total tuition amount for the year, we urge you to apply for tuition assistance by completing a tuition assistance form and returning it to school. These forms are available in the school office.
